SOUTH MORNINGSIDES PRIMARY NEWSLETTER 01/09/2023

Message from the Head Teacher

Good morning,

Please find the link for the Communications week beginning 28/08/2023. [Click here](#)

We are now archiving all communications on the “Letters home” section on the website. Here is a screen shot so you can find it easily. The page can be bookmarked to make it easier to find.

Overall, we are trying to make sure you receive less individual communications and when you need the information you can find it in one place.

Lastly, I would like to formally thank the Explorers and Mrs Jones, along with Mrs Murray who spent hours on the gardening. Also, Mr and Mrs Quinn for their rolling and a special thanks to Ms Spalding for her guidance on painting. It was a brilliant collective effort, and we are really pleased with the changes. I will issue a list of opportunities through the Parent Council for you to get involved in improving our school.

Have a good weekend.

Mr Gillies
